### Communication Choices (Please choose at least one):

In an effort to reduce waste & decrease costs, the PTA rarely sends home paper copies of school communications. The PTA's main method of parent contact is via our PTA website, newsletters and our Facebook page. Your best way to stay informed is to sign up for email communications from the PTA. If you have access to a computer, and you have an email address, we strongly request that you sign up.

I already signed up to be a PTA Member. If you provided an email address with your PTA Membership form, you will receive PTA school communications at that address.

Subscribe to the All-School Newsletter, sponsored by the PTA (optional, this is for all school members, regardless of PTA membership. You may unsubscribe at any time.)

I do not have access to a computer. Please send all communications home in paper copy. Note: If you have more than one child attending EE, only one copy of all communications will be sent home with the oldest child.

### 2011-2012 School Directory (Please choose one):

Provided by your PTA, every EE family will receive a printed copy of the School Directory. This booklet contains the following information by grade level: student's first & last name, parent/guardian's first & last name, home address, telephone number and email address. The directory should be available during October 2011.

**Yes**, please include my details above in the 2011-2012 EE School Directory

Please do **NOT** include my details in the 2011-2012 EE School Directory
