

Dear Parent,

Last week your student brought home information on PACE, a simple way to support Edmonds Elementary as you go about your everyday life. Over 400 businesses participate in this program and each one gives 5% of your purchase amount to our school. And even better, you get money back too! As a PACE member, you are eligible for special offers from PACE retailers which will change through out the year. The best offer is available all year round... 20% back on your first purchase at the local participating restaurants.

There is no need for coupons or special cards with PACE. Once you register your credit card, any purchase at a participating business benefits Edmonds Elementary and you are automatically given any offers or discounts the store is offering. Since over 400 businesses participate, it is likely you already frequent a few!

## SIGNUP

---

- Register any Visa or MasterCard today at [www.4pace.com](http://www.4pace.com) or complete the registration form and mail in the envelope provided.
- Shop or dine at PACE businesses, pay your bill using the same registered credit card, and your member savings and school donations are automatic!
- Membership fee is \$25 - of which \$ 10 goes directly to support our school.

## SAVE

---

- You save 20% on your first purchase at each and every PACE restaurant.
- You receive exclusive "Member Only" savings opportunities from PACE retailers throughout the year. Savings that can literally add up to hundreds of dollars.

## SUPPORT

---

- The more you shop and dine at PACE businesses; the more Edmonds Elementary benefits.

## PRIZE PROGRAM

Register by the end of the month and all of the Edmonds Elementary student(s) in your household automatically earn a HexBug (a micro robotic creature) from the Pacific Science Center.

### Already a Member?

- Login to your account at [www.4pace.com](http://www.4pace.com) to verify your account information is up to date and enroll your student(s) in the prize program. With your renewal, they will receive a HexBug - a micro robotic creature!

*That's all there is to it! Thank you in advance for taking the time to enroll in this great program.*
